Assignment

Clear? Complete? Risks?

Equipment

What? Available? Working?

Situation

● Go ● Ragged Edge ● Stop

Obstacles

Potential Problems? Look Ahead!

Personnel

Who? Experience? Risks?

Review I'M SAFE:

Illness • Medication • Stress
Alcohol • Fatigue • Eating

Assertive Statement

- Opening** Get person's attention.
- Concern** State level of concern.
Uneasy? Very Worried?
- Problem** State the problem,
real or perceived.
- Solution** State your suggested
solution, if you have one.
- Agree-
ment** Assertively, respectfully
ask for their response.
For example: What do
you think? Do you agree?

When all else fails, use
"THIS IS STUPID"
to alert PIC and others
to potential for incident,
injury or accident.
